

## PRESS RELEASES FOR INFORMATION PURPOSES

Design Discovery Awards (D&A) 2026 Season 1 Winners Announced!

(Winner's Name/Company) Won the (Platinum/Gold/Silver) in (Category)!

The Design Discovery Awards (D&A) officially announces the winners of the 2026 Season 1. We extend our sincere congratulations to the outstanding designers and innovative works from around the world recognized in this season. Special congratulations to (Winner's Name/Company) for their remarkable performance in winning the (Platinum/Gold/Silver) Award in the (Category) of 2026 Season 1!

This season's award-winning works have garnered significant global attention for their highly groundbreaking concepts, avant-garde explorations, and profound understanding of contemporary design. They not only epitomize the high standards of today's design, but also convey new directions and inspirations, continuously expanding the frontiers of innovation and setting benchmarks for future creativity.

## DISCOVERING NEW TALENTS, WITNESSING THE FUTURE

Since opening its global call for entries, D&A has attracted enthusiastic submissions from designers and creative teams across more than 20 countries and regions, including the United States, China, the United Kingdom, Italy, Canada, Australia, Japan, South Korea, Russia, Singapore, Poland, and Portugal, fully reflecting the award's broad international reach and the diverse intermingling of design cultures. In 2026, D&A continues its season-based judging model and maintains three award tiers—Platinum, Gold, and Silver—dedicated to discovering and honoring emerging design talent from around the world. The winners and their works collectively showcase the vibrant creativity and exploratory achievements of today's design field, unfolding a rich vision of the future of design.

The award-winning entries span five core disciplines: architecture design, interior design, landscape design, product design, and graphic design. Built upon a deep fusion of aesthetics and creativity, they respond to the present with unique insights and pragmatic solutions, steadily expanding industry boundaries and injecting vibrant energy into the global design ecosystem.

Among the many standout entries this season, (Winner Name/Company) won the (Platinum/Gold/Silver) award in (Category) for its remarkable creation. The work's bold innovative spirit and solid execution earned unanimous acclaim from the jury—a truly well-deserved recognition.

We eagerly look forward to these excellent designers and their works continuing to spark creative inspiration, leading the industry toward deeper explorations, and together building

a more innovative and human-centered design future.

## **PROFESSIONAL RIGOR, HONORING LASTING EXCELLENCE**

The competition's jury is composed of senior design experts and industry leaders from New Zealand, the Netherlands, Canada, the United States, Bulgaria, Norway, China, the United Kingdom, Hungary, Italy, Chile, Portugal, and other countries. The entire judging process strictly adheres to an anonymous blind review system, ensuring that every entry is evaluated under a fair and transparent mechanism, thereby upholding the authority and credibility of the awards.

With professional insight and a forward-looking perspective, the jury conducted in-depth evaluations of each work across multiple dimensions, including innovation, aesthetic value, functionality, sustainability, and social impact. They are committed to identifying outstanding creations that not only demonstrate exceptional design prowess but also actively respond to contemporary issues, drive industry trends, and inspire sustainable innovation. These works will chart the course of exploration in the design field, bringing tangible and heartwarming impacts to both industrial progress and everyday life.

Under this rigorous yet open evaluation framework, D&A is dedicated to selecting exceptional designs that truly embody the spirit of the times, paying tribute to creativity.

## **INNOVATION WITHOUT BOUNDARIES, CO-CREATING A NEW ERA OF DESIGN**

D&A has always focused on the creative forces that reshape industry boundaries and lead future trends. The continuation of the season-based system and the establishment of clear award tiers in 2026 mark D&A's growth into a more flexible and influential global platform, dedicated to timely recognizing outstanding design achievements around the world. We hope this season's winners will inspire more designers to innovate boldly and together shape the future of design.

### **About Design Discovery Awards (D&A)**

The mission of Design Discovery Awards (D&A) is to be one of the most prestigious and recognized international awards in the fields of Architecture Design, Interior Design, Landscape Design, Product Design, and Graphic Design.

D&A is designed to discover and recognize original and innovative design work, promote outstanding and talented design practitioners worldwide, identify industry experts and design talents with innovative thinking, forward-looking vision, and aesthetic creativity, and provide them with a premier platform to showcase their best work.
